

Incyte's Cookie Policy

Through our website, we receive and save some information about your visits to personalize your experience. We do this by using small data files called "cookies" and placed on the device you use to visit our site. In this Cookie Policy, we explain how we use cookies, how they improve your site experience and what choices you have with regard to their use.

Cookies

Cookies are small numbers and text files stored on your computer or other device when you visit our site. Cookies allow our site to recognize you as a user and that you can see our site in the way you prefer. Cookies also remember which pages and sites you visit so that we know what you are interested in. The data collected by cookies is anonymous, although some of them are about a geographic location. The information about where you are located, we use only to enhance your experience and to provide information about when we need to display specific jurisdiction reports, if required. No personal information is retrieved via cookies.

Different types of cookies used by Incyte Corporation

Cookies to improve performance

These cookies are used to follow what you do on our site so we can make changes to this and make your visit easier and more enjoyable. No information is stored that can identify you personally, but it's all about data that can enhance your site experience.

Cookies to improve features

These cookies help us to remember what you prefer and simplify your online experience. They can for example Remember which language, font and text size you prefer, as well as combinations of usernames and passwords.

To allow cookies

Cookies are important to us when we try to improve your online experience. You must be aware that if you decide to delete cookies, certain preferences will disappear and you may not be able to use all of the features on the site. We therefore recommend that you do not turn off cookies when using our site. Most browsers automatically accept cookies, but you can delete or block cookies by changing settings in the browser. Please note that if you decide to block cookies, you can still use the public areas on our site, but you may no longer be able to access secure areas.

Access to data

In some countries, you have the right to request that we talk about what kind of data, and its content, we collected about you on the site or through cookies. You can also prevent storage of cookies on your device. Read more in our privacy policy about how you request access to this information if you live in a jurisdiction where this applies.

Termination

We hope that after reading our policy, we will be fully aware of how we use cookies and make sure that Incyte Corporation uses them responsibly. If you continue to use Incyte Corporation's websites without blocking cookies, we assume that you acknowledge that cookies are used by us to personalize your site visits.
